An Introduction to Social Enterprise

With demands on your services at an all time high and funding at an all time low, it is imperative that sustainable funding sources are sought and developed. One of the options to consider is the development of a social enterprise which will support you to raise unrestricted income to deliver services to your beneficiaries.

Do you want to:

- ◆ Understand how a social enterprise could support you?
- ◆ Understand the legal requirements to set up a social enterprise?
- ◆ Be supported to develop your social enterprise model?
- ◆ Take the first steps to making your social enterprise a reality?

By the end of this one day course you will:

- ◆ Have a clear understanding of how social enterprise can support your current service.
- ◆ Have developed ideas for a variety of social enterprise ideas
- ◆ Have explored the various legal options for creating a social enterprise
- ◆ Have developed a mission statement to support the ongoing development of your social enterprise.
